Import References

Importing from EndNote?

File: [Browse...] ARTstor_Citations.RIS

Import Option: ARTstor ▾   *Select Favorites*

To: [Unfiled] ▾

[Import]

Step 6: open your endnote account.
a. From the **Collect** tab, choose **Import References**
b. Click **Browse** and find the Artstor_Citations file you saved on your computer
c. Under Import Option, choose **ARTstor**
d. Under TO: select **Unfiled**
e. Click the **Import button**

Step 7: the references will be in your unfiled folder. Be sure to "clean them up" as we discussed in class!
